Objective

Dear sir/ma, Health Care Assistant I have just viewed your job vacancy for Health Care Assistant. I was very enthusiastic to come across the Health Care Assistant opening in your organization. Over the years of my health assistant responsibilities, I have become competent to meet the requirement of this position. I have great desire to undergo new challenges whilst leveraging my skills and wealth of experience. As my resume indicates, I offer critical, analytical and creative thinking, written and verbal communication skill, leadership skill, positive and can-do attitude, problem solving, financial planning and analysis, technical skill in care, proficiency in using hoist, slid sheet, slings, transfer boards, Turntables, Wheelchairs, handling belts, lifting cushions, bed levers and others The attached CV provides more information about my background, qualifications and skills. Please find a copy of my CV attached. I would like to speak with you to further discuss the possibility of my contribution to the continuous success of your organisation. You can reach me via my contacts as stated in my cv. Thank you. Yours sincerely Ayoola Babalola

Work & Experince

Health Care Assistant

Destiney Social Care provider, 2023 -

- Patient Care: Provide direct assistance to patients with activities of daily living (ADL), including bathing, dressing, toileting, and grooming. Assist patients with mobility and transferring, ensuring their safety and comfort at all times.
- Vital Signs Monitoring: Regularly monitor patients' vital signs, including temperature, blood pressure. Report any abnormalities or concerns to the appropriate healthcare professionals.
